Madam,

Lexcom Telephone Company (Service area code 230483) has recently sent its **Interstate Common Line Support and Long Term Support** certification form to USAC and the FCC. We have sent the certification by certified mail and we have record that the certification was delivered to both the FCC and USAC on June 23rd, 2003. However, because of the importance of this document, we are sending another certification by Federal Express which is enclosed. If you've already found our original certification, please disregard this copy.

Sincerely,

A handwritten signature in cursive script that reads "Donna K. Arnold".
